The MLB security identification badge will be displayed on the upper portion of the body on the outer garment so as to be clearly visible.
7. It is the responsibility of each MLB security identification badge holder to challenge any individual not displaying their MLB security identification badge while on Airport property.
Challenge procedures are:
 - Approach the un-badged individual in a non-threatening and helpful manner and inquire as to the reasons why the un-badged individual is within the secure area portion of the Airport.
 - When an un-badged individual cannot produce an MLB security identification badge, the individual conducting the challenge must escort the person out of the secure area and report this incident to a Melbourne Airport Police Officer for further investigation.
 - If an authorized individual cannot approach an un-badged person for safety reasons, the authorized individual must keep close surveillance of the un-badged person and immediately contact a Melbourne Airport Police Officer to report the incident.

15. All lost, misplaced, or stolen MLB security identification badges or keys must be immediately reported to the badge sponsor and thereafter to the Airport Security Coordinator (ASC) or their designee at MAPD in writing. The original, signed letter must be received by the ASC no later than the next business day. There will be a \$25 fee invoiced for the lost, misplaced or stolen badge.
16. If a badge holder has lost, misplaced, or forgotten their MLB security identification badge they are not allowed to be escorted.
17. Failure to return any MLB security identification badges or control access keys will subject you to a fine of \$100 for each unreturned item and the additional cost incurred to re-core the lock and cut new keys. Upon signing the MLB badge application, the badge applicant authorizes their badge sponsor to invoice them or deduct from the applicant's wages the cost(s) associated for failure to return any security identification badges or control access keys after they separate employment or affiliation with the airport.
18. Mutilation or alteration of any MLB security identification badges, access keys, and/or parking placards will invalidate these items. They are in no way transferable and may not be duplicated.

28. If the CHRC or STA discloses information that would disqualify an individual from receiving or retaining unescorted access authority and the individual believes there may be an error in the CHRC, the individual must notify the ASC within 30 days of their intent to correct any information they believe to be inaccurate. It is the individual's responsibility to correct any areas they believe are not accurate in the CHRC.
29. MLB security identification badge holders or applicants may request a copy of their Federal Bureau of Investigation (FBI) CHRC by providing a written request to the Airport Security Coordinator.
30. Violations of any of the MAA Rules and Regulations and/or Applicable Code of Federal Regulations may subject you and/or your badge sponsor to all penalties and fines that may be levied by MAA, TSA, or any other applicable government agencies, up to and including revocation of your MLB security identification badge.
